This matter is before the Court on cross motions *in limine* (Filing No. [442](#) and Filing No. [450](#)) regarding video-tape deposition designations.

The Court has reviewed lines 158:3 to 248:14 of the William Buckner deposition testimony. The plaintiff argues that various portions of the deposition are irrelevant because the testimony relates exclusively to the dismissed counterclaim. (See Filing No. [464](#) at 3-4). Regarding lines 158:3 to 248:14, it appears the testimony concerns only the defendant's dismissed counter claim. If the defendant offering the testimony in lines 158:3 to 248:14, believes that it has other relevance,

IT IS ORDERED that defendant shall advise the Court by **Friday, August 22, 2014**, as to the defendant's claim to

relevancy. Otherwise, the portion of the deposition will be stricken in its entirety.

DATED this 18th day of August, 2014.
